

## Want to crush waste, **Size Reducing** Equipments

### DUAL SHAFT SHREEDER

#### **GE-DS Series**

At Gaurav we understand handling bulky waste is a challenge, limited space is biggest and common constraint. GE-DS (Dual Shaft Shredder) series is best fit for your manufacturing facility. Be it big article or bulky solid waste a perfect infeed for recycling is now possible. Our units operate on low RPMs and inbuilt reverse feed on heavy loads make machine safe and long lasting. Shredding was never this hassle free before.
